Subject: Approval of Notice of Intention to Commence Large Mining Operations and Reclamation Surety, Towers Sand and Gravel LLC, Towers Sand and Gravel Mine, M/057/0006, Weber County, Utah

Dear Mr. Butters:

The Division of Oil, Gas and Mining (Division) approves the Notice of Intention to Commence Large Mining Operations (Notice) and reclamation surety for the Towers Sand and Gravel mine. The permitted disturbed area is 90 acres. The surety will be reviewed periodically to ensure it remains adequate.

The approval of a complete notice of intention does not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations.

Enclosed are copies of the signed and executed Reclamation Contract and surety bond forms for your files. Also enclosed is a copy of the approved Notice for your records and reference. Any changes to the mining or reclamation plans will require that the Notice be amended. Please keep your plan current by submitting changes using Form MR-REV-att, which is located on the web at www.ogm.utah.gov.

All future correspondence should reference M/057/0006. Thank you for your help and patience in finalizing this permitting action. Please call me contact Lynn Kunzler at 801-538-5310 or Paul Baker at 801-538-5261 if you have questions concerning this action.

Sincerely,

Dana Dean, P. E.
Associate Director of Mining
